

## DETAILS

### **Project**

Upper Peninsula Commission for  
Area Progress (UPCAP)  
Escanaba, Michigan

### **Exterior Renovations**

- Remove old canopy and add awning with support columns
- Replace doors
- Replace siding and components
- Add Walk Ways

## EXTERIOR RENOVATIONS - 2015

This office building was constructed in the 1970's and was in need of updating and renovations. The exterior was given a modern look by removing the long sloping canopy in the front, adding support columns, replacing the siding and front door and adding walk ways.
